

I pledge to support Y2Y in my community. My family and friends can count on me to do the following:

- Support Y2Y efforts by talking with my family and friends about how violence and aggression affect our community, and by learning about how we can solve the problem.
- Share Y2Y information and resources with my family and friends so that they have the tools they need to make a difference.
- Spread Y2Y messages by sharing my story with others and listening to others when they need support.
